REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

The applicant's amendment filed 12/15/04 overcame the technical deficiencies and the prior art rejection. Claims 6-15 are allowed because the prior art of record, Jung (US 5,847,702), does not show the charge pump circuit comprising the combination of the capacitors, the control circuits to control the switches and two power supply clocks; wherein the control circuit suspends generation of the two power supply clocks in response to a power save control instruction, the suspension of the generation of the two power supply clocks occurring one by one.

CONCLUSION

Any comments considered necessarily by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DINH T. LE whose telephone number is (571) 272-1745. The examiner can normally be reached on Monday-Friday (8AM-7PM).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, TIMOTHY CALLAHAN can be reached at (571) 272-1740.
